

## Portland Studio - 3333 NW Industrial Street

For over 30 years Straub Collaborative has been an active studio in Portland support our client content production. We are proud to expand that same client experience by offering studio rental services at the 40,000 sqft. studio facility in Northwest Portland.

The PDX studio has three independent studios. They can be rented together or separately. Named after the mighty and important waterways in the region, the Willamette, Deschutes, and Metolius studio are ideal for any size and type of production.

Combined the PDX SC Studios are 9k+ sqft. of rentable studio space with state of the art equipment, loading docks and business class amenities. We look forward to hosting your next project.
